

The African Leadership Bridge

Presents

BRIDGING CULTURES, BUILDING LEADERS

Our bridge to and from Africa is paved by the milestones in our students' lives. This year we laid our most significant milestones yet; two ALB alumni have returned to Africa and are working to drive positive change in their communities. We also welcomed new scholar, Ukairo, whose goal is to use film as a means of storytelling to create awareness about social issues, inspiring people to lead and bring about positive change in Africa.

Please join us on **November 7th** as we celebrate our achievements and highlight our students' journeys to transform the African continent.
